

Acorn to Oak

A Learning Playgroup

Taught by a Montessori-certified Infant & Toddler Teacher

The Acorn to Oak class is an eight-week program designed for infants and toddlers who are not enrolled in a Montessori program. A parent, grandparent, or caregiver is welcome to participate in the class, but we request that only one adult attend per class.

This program provides an opportunity for the adult to interact with the child as the teacher guides them through the child-directed process of learning. Children learn through hands-on experiences and the adults have a group discussion to learn about their children's development and ask questions while the children have a supervised group snack. In addition to providing developmentally appropriate materials and positive social skills, grace and courtesy are modeled by the adults. Class may also include a group circle time with music and movement.

A short **orientation meeting for parents only** prior to the beginning of each session is listed below. At least one parent should attend.

If you have questions, please contact Helena Eddings at (419) 866-1931. To enroll, please send the registration slip with payment to West Side Montessori, 7115 W. Bancroft St., Toledo, OH 43615.

You may arrange with the instructor to make-up one missed class due to illness or travel.
