

ACORN TO OAK

A Learning Playgroup

Taught by a Montessori-certified Infant & Toddler Teacher

The Acorn to Oak class is an eight-week program designed for infants and toddlers who are not enrolled in a Montessori program. A parent, grandparent, or caregiver is welcome to participate in the class, but we request that only one adult attend per class.

This class provides an opportunity for the parent to observe his/her child interacting with the teacher and other children while providing the emotional support the child may need to gain independence. This is a rich learning environment for the child and parent. Children learn through hands-on experiences and the parents will have a group discussion to learn about their children's development, meet other parents, and ask questions. In addition to developmentally-appropriate activities, grace and courtesy are modeled during snack time. Class may also include a group circle time with music and movement.

If you have questions, please contact Helena Eddings, at (419) 866-1931. To enroll, please send the registration slip with payment to West Side Montessori, 7115 W. Bancroft St., Toledo, OH 43615.
